

NOTICE OF DRAFT SITE PLAN

Distributed by Grey Highlands Zero Emission People LP regarding a Proposal to Engage in a Renewable Energy Project

Project Name: Grey Highlands Zero Emission People Wind Park

Project Location: Near the community of McIntyre, on privately-owned agricultural lands within the Municipality of Grey Highlands

Dated at the Municipality of Grey Highlands this the 15th of February 2012

Grey Highlands Zero Emission People LP is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The distribution of this Notice of Draft Site Plan (Notice) is subject to the provisions of the *Environmental Protection Act (ACT)* Part V.0.1 and Ontario Regulation 359/09 (Regulation). This Notice is being distributed in accordance with sections 15 and 54 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which this project is to be engaged in, is a Wind Energy Facility, Class 4. If approved, this facility would have a total maximum name plate capacity of up to 10 MW. The project location is described in the map below.

Documents for Public Inspection:

The Draft Project Description Report titled *Grey Highlands Zero Emission People Wind Park Draft Project Description Report* describes the project as consisting of up to five (5) wind turbine generators, wind turbine foundations, step-up transformers, gravel access roads, underground and/or overhead electrical collection system, substation to connect to Hydro One power line, and temporary construction work spaces. The Draft Site Plan is available for public review on the Project websites at www.energyfarmingontario.com and www.zeroemissionpeople.com, and a copy of the Draft Site Plan will be available for public inspection at the Flesherton Public Library, 101 Highland Drive, Flesherton, Ontario, and at the Walter Harris Memorial Library, 75 Walker Street, Markdale, Ontario.

Further, Grey Highlands Zero Emission People LP will provide additional supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the draft supporting documents will be made available on the project websites, www.energyfarmingontario.com and www.zeroemissionpeople.com, for public inspection at least 60 days before the final project Open House.
